YOU ARE INTERESTED IN ...

- improving your knowledge and expertise in food processing and food technologies ...
- hands on experience in special food processing techniques and are eager to get acquainted with state-of-the-art equipment ...
- learning from valuable expert insights into latest developments in food engineering and food innovation ...
- joining a group of motivated German and international students ...

... then apply for our course **Food Technologies!**

Academic Advisor and Scientific Leader
Prof. Dr. Stefan Töpfl

Scientific Co-leader
Prof. Dr. Jacob Ewert

Course Coordinator Food Technologies
Dipl.-Ing. (FH) Anke Riemenschneider

WHAT YOU CAN EXPECT?

You will get an introduction to the European and German food market with an insight of the latest food developments. Learn about different types of conventional food processing and new alternative technologies on the base of the latest findings.

Apart from lectures you will be able to apply what you have learned and perform it in groups in practical trials, e.g. sensory tests, lab work, analytical methods. On weekends you will have the chance to attend the cultural program that includes trips to Berlin, Amsterdam and Paris with guided city tours and visits to historic sights.

INTERNATIONAL SUMMER UNIVERSITY FOOD TECHNOLOGIES (UNDERGRADUATE / GRADUATE)

GOOD TO KNOW

Target Group and Requirements

Second- or third-year Bachelor and Master students studying Food Production, Food Technology or Food Science with a study competence in English (B1-Level of the Common European Frame-work of References for Languages CEFR).

Accommodation

We will arrange an accommodation for you in Osnabrück.

Admission and Application

The number of students per course is limited. Please note that a course will not be offered if fewer than 15 students apply. Applications are accepted until March 31, 2025. You will receive the Letter of Acceptance by April 14, 2025 at the latest.

The following documents will have to be uploaded in our application portal after your online registration:

- a short CV
- transcript of records
- proof of English competence (only for students whose mother tongue is not English and who do not study in an English taught program at their home university)

All documents should be:

- in English / file size: maximal 5 MB / file format: PDF

Fees (1,950.00 EUR)

Not included

- your meals
- optional weekend trip to Berlin (240 EUR), Amsterdam (350 EUR) and Paris (420 EUR)
- travel and visa expenses
- health, accident or liability insurance
